MEXICO

### For more than 30 years

ITM Group has created dream destinations in the **Caribbean** and the **Mexican Pacific**, bringing unique experiences to visitors from all over the world, while maintaining the DNA of each place where it operates.

Every project ITM Group has built tells a story as our team is dedicated to bringing our vision to life, and our cruise ports in the **Dominican Republic**, **Mexico**, and **Honduras** are living proof of that philosophy.

Our team works with the highest quality technology to create a unique setting with experiences for visitors of all ages: Pool areas, retail spaces, themed bars & restaurants, there is something for everyone at our ports!

Our commitment and goal are to please the needs of cruise guests.
